BlockRock Votings

Hallo Bros, wie ihr sicherlich mitbekommen habt, sind wir ein wenig gedippt. Wollen wir die Situation dafür nutzen Liquidität hinzuzufügen? Wir würden ca. 5,000\$ aus den Reserven mit Development und Buyback Token paaren und auf Pancakeswap hinterlegen. Ergebnis, mehr Kursstabilität in beide Richtungen.

Hi Bros, as you've noticed, we dipped a little bit. Do we want to use the situation to add liquidity? We would pair about \$5,000 from reserves with development and buyback tokens and deposit on Pancakeswap. Result, more price stability in both directions.
